

# Partnering Ministry Program

Build even more financial support for your church or Christian school. Beacon Tax Services donates 100% of profits from tax preparation to ministry.

## How does the Partnering Ministry Program work?

- 1 Call to schedule an appointment, drop off, or send your tax documents to be prepared by Beacon Tax Services (see locations below) with the voucher included below.
- 2 Name the specific ministry or project that you would like to support. When 10 or more clients name that same ministry, we'll send the profits from preparing those tax returns to that ministry.
- 3 Once the tax return is finished, a professional tax preparer will review the return with you and provide helpful tax advice for the following year.
- 4 Enjoy building even more support for your church or Christian school, and share this program with friends and family who care about ministry too!

---

## Beacon Tax Preparation Voucher

Beacon Tax Services is privileged to serve clients nationwide. To be sure funding is directed to your ministry, fill out this voucher and include it with your tax documents. Voucher available for use at our Douglassville and Reading offices.
